SKEMA Business School operates from seven different sites: in France (Lille, Paris and Sophia Antipolis), Brazil (Belo Horizonte, MG), China (Suzhou), South Africa (Cape Town) and the USA (Raleigh, NC). The campuses are located in well-known science parks or business centres and offer students exceptional opportunities and career prospects. Our foreign campuses all have the same goal: to combine international academic and professional experience. The genuine international experience that students receive involves more than just the creation of a local school.

USA

Raleigh, North Carolina

Located on the Centennial Campus of NC State University, close to the Research Triangle Park and its innovative companies.

Brazil

Belo Horizonte, Minas Gerais

Set within the campus of Fundação Dom Cabral, best business school in Latin America according to the Financial Times. A region known for its dense cluster of hi-tech start-ups.

China

Suzhou

Just one hour from Shanghai, one of the most advanced centres of technology across the globe. It is home to 118 of the top 500 companies

France

Lille, the hub of Europe

The biggest and the most thriving student city in France outside Paris, offering a dynamic business environment.

France

Paris, the "City of Lights"

One of the most stimulating cities in the world as a centre of cultural and economic activity. Favourite city for young graduates and business professionals

France

Sophia Antipolis, at the heart of the French Riviera

The campus lies at the heart of Europe's best known science park. It's an attractive area for tourism and a strategic location for companies.

South Africa

Cape Town, where the country's history began

Cape Town is South Africa's largest city, known for its dynamism and creativity in all fields.
